

The background features several overlapping circles and geometric shapes. A large yellow circle is at the top left. A large blue circle is at the bottom right. A medium blue circle is in the center-left. A small light blue circle is to the right of the center. A small orange dot is on the left side of the central blue circle. The text 'GOLD' and 'SCHEDULER' are centered in a large, black, sans-serif font, with 'GOLD' on the top line and 'SCHEDULER' on the bottom line.

# GOLD SCHEDULER

# Gold Scheduler?

# A webapp for UCSB students to plan out their future quarter schedules

- As a student I can **see the classes offered** in the next quarter so that I can plan out my schedule
- As a student I can **see when class conflicts occur** so that I can make changes to the current schedule or make a new one
- As a student I can **make multiple schedules** and cycle between them so that I can easily see which schedule is best for me

# Recap

- A webapp that allows you to plan your upcoming quarter
- Pick classes from upcoming quarter
- See when conflicts occur
- Make unlimited amount of schedules
